ABOUT CIT

It was in the year 1990, when it all started. Mr. Nil Ratan Datta, laid the foundation of an organization which within a decade took the industrial world of Bengal by storm. The organization was the Camellia Group. A name that embodies Trust, Honesty and a desire to look beyond the horizon.

Beside business interests in the areas of Aviation, Hospitality, Industry, Heath services and Real estate, Camellia Group also diversified into the world of Education with Camellia Institute of Technology as one of its constituent college.

Camellia Institute of Technology was established in 2007 with the aim to provide quality education and produce best engineers to work around the world. The Institute has modern infrastructure and facilities, conducive to teaching-learning process. All laboratories have been set up as per syllabus. CIT aspires be the Centre for excellence in engineering and technical education in years to come.

The Institute is affiliated to Maulana Abul Kalam Azad University Technology and all courses are approved by AICTE. CIT is located in Madhyamgram behind Kolkata Airport and near NSG Hub.

We believe that Ragging is an infringement in to Human rights and are committed to take serious steps against ragging as per Supreme Court directives.
