CAMELLIA INSTITUTE OF TECHNOLOGY

Madhyamgram, Kolkata 700128

(Affiliated by AICTE & Approved by MAKAUT)

ENLIGHTING THE WORLD OF TECHNICAL EDUCATION

Website: **www.camelliait.ac.in**
email: **director@camelliait.ac.in**
Telephone: **033 2526 0336/7**

Mobile: **9007030119/139/153/160**

Vision: *To develop resourceful citizens who are able to meet the challenges of future with a smiling face and also emerge as an accredited center of excellence in technology, education & research.*

Mission: *To impart quality Education and Training in the fields of Engineering & Technology at undergraduate and post graduate levels and provide conductive environment required to develop appropriate skills for achieving excellence in Education, Business and Industry.*

Quality Policy:

- *Best standards and practices for good governance shall be put in place to improve credibility at all levels.*
- *Involvement of Faculty and Staff shall be ensured to bring in transparency of operations in Institute Management.*
- *Industry-ready professionals to be developed through corporate exposure and special projects.*
- *Higher studies/Research shall be encouraged for faculty/staff which would inter alia, would include TEQUIPs, Seminars & Workshops.*
- *Special laboratories shall be created in selected areas of R & D facilities.*
- *NBA accreditation shall be obtained at the earliest and maintained without break.*

Courses Offered

B. Tech in ✶*Civil Engineering* ✶*Computer Science & Engineering* ✶*Electronics & Communication Engineering* ✶*Electrical Engineering* ✶*Information Technology* ✶*Mechanical Engineering*

Diploma in ✶ *Civil Engineering* ✶ *Mechanical Engineering*

Message From

The Chairman, Camellia Group

Dear Friends,

It is a matter of great pleasure that our engineering colleges (BITM, CIT, CSET, CITM & CIET) are running successfully due to the effort of our Group. All the institutions have rendered a great service in connection with the fulfillment of the demands of students in the field of Technology and Management.

I have noticed with pleasure an accelerated progress of the institutions, which is due primarily to the quality of training imparted by the faculty members and interaction with corporate houses. In addition, I thank WBUT and AICTE for approving all our Degree and Post Graduate Courses and also express gratitude to the District Authority, West Bengal Government Education Department, University of Technology and the distinguished persons and faculty members for rendering all help to maintain the noble heights that our institute has attained.

Yours truly,

N. R. Datta

Message From

The Principal, *CIT, Madhyamgram*

Hello

Welcome to the Camellia Institute of Technology – an institute with a difference. This is a unique academic institution located in a sprawling green campus. It provides a novel academic environment through its highly dedicated faculties and state-of-the-art technical facilities. 'Positive Thinking' is our motto. So we promote a wholesome development and stress free training through customized teaching modules.

Come, join and enjoy this new experience called the Camellia Institute of Technology.

Yours truly

Prof. (Dr.) Sanghamitra Chatterjee

Ph. D (Tech.), Calcutta University

Message From

The Registrar, **CIT, Madhyamgram**

Dear Friends,

To maintain prolonged development of global technical education, many qualities are required. An international engineer should not only be academically brilliant, but also technically sound, ethically conscious and functionally efficient. He should also have aptitude in matters of production and culturally enriched and internationally competitive.

We, in, Camellia Institute have successfully have adopted this concept right from management up to the stake holder for the sake of international mobility. In circumstances, I have no doubt that national and international community will be attracted.

I invite all young stars to be part of the renascence in education, happening in our institution and wish all students, a bright and prosperous future.

Yours truly

Dibyendu Chakraborty

About the Institute

Camellia Institute of Technology
[Approved by AICTE & Affiliated with WBUT]

Camellia Institute of Technology was established in 2007 with the aim to provide quality education and produce best engineers to work around the world. The green, clean 17 acre campus is conveniently located in Madhyam-gram behind Kolkata Airport and near NSG Hub and has its own bus linkto the city. The choice of CIT is not only due toits great teaching-learning ambience, state of art infrastructure and bright future scope, but also due to its proximity to nature, to freshness of life and to our roots.

The Institute has modern infrastructure and facilities, conducive to teaching-learning process. All laboratories have been set up as per syllabus. CIT aspires be the center for excellence in engineering and technical education in years to come.

CIT believes 'all work and no play makes Jack a dull boy'. Therefore Students' Committees are actively pursuing various Cultural Sports and Technical activities under the guidance of faculty members for holistic development of the students.

We believe that Ragging is an infringement in to Human rights and are committed to take serious steps against ragging as per Supreme Court directives...

CAMPUS FACILITIES

⭐Hostel Inside Campus   ⭐Food Court Inside Campus   ⭐24X7 Power Backup   ⭐24X7 Library Facility   ⭐Free Wi-Fi   ⭐Free Transportation   ⭐Free Health Care   ⭐Free Psychology Counseling   ⭐Meditation Center   ⭐Indoor & Outdoor Games

Our Intellectual Capital

Camellia Institute of Technology is proud to have professors in the faculty to give students the depth of knowledge and understanding of finer points. Apart from honoring senior members who bring a wealth of experience to make learning easy, the institute also encourages young professors who can relate to the students a one-to-one level the latest technical knowledge as friend, philosopher and guide. Frequent interaction and cross-pollination among the faculty of various disciplines, enriches the knowledge base.
