OFFICIAL NEWSLETTER OF

## CAMELLIA INSTITUTE OF TECHNOLOGY

Madhyamgram, Kolkata – 700129

### CHAIRMAN'S MESSAGE

Mr. N. R. Datta,  
Chairman, Camellia Group

I have noticed with pleasure an accelerated progress of the institution, which is due primarily to the quality of teaching imparted by the faculty members, professional trainings and interaction with corporate houses. The students are regularly interacting with industry people and being appreciated by them. The industry readiness of our students made them successful in their professional life. Everywhere they are winning. I wish them all the best.

### IBM BLUEMIX IDEA HACK

Again our students have shown their potential and caliber in Innovation; in the IBM Bluemix IDEA HACK, which brought developers, entrepreneurs and technology leaders together to explore and discuss new ideas. 30+ students from Camellia Institute of Technology, Kolkata, participated in the event and own 3 prizes in two categories. The 24 hours' Hackathon started from 6.30 PM, 21-Aug-2015 and ended at same time the next day. The students worked overnight in teams to build their applications without falling asleep for a moment. Aditya Das, Suman Chatterjee, Annesha Chakrabarty, Rajesh Kumar Tiwary and Gopal Kumar won the 1<sup>st</sup> position and Farhin Banu, Swagato Das, Parijat Ghosh and Shayan Deep Ghorui won the 3<sup>rd</sup> position in the event for best innovative mobile application idea. Sumit Kumar Shaw, Deep Kumar Shaw, Adriza Chakraborty and Avishek Sen won 3<sup>rd</sup> position in the event for best innovative mobile application development. Presence of Mr. Jonathan P. Ward- Principal Commerce Officer of American Embassy/Consulate Kolkata and Mr. Mangesh Patankar, Mr. Shubhrajyoti and Mr. Sudip Dutta from IBM had made the event more special.

### NASSCOM STARTUP WEEKEND AT IIM, JOKA

## NASSCOM MEETS STUDENTS IN FSIT PROGRAM AT CIT

CIT is conducting Foundation Skill in Information Technology (FSIT) program for final year students to prepare them for NAC-TECH examination as well as for industry. College faculties, renowned professors from BIT Meshra Kolkata campus, Retd. Col. Sengupta and PMP certified Mr. Joydeep Chakraborty have joined hands to make it a great success. On 13th August, 2015, Mr. Nirupam Chowdhury, Regional Head NASSCOM, Mr. Kamal Agarwal, Chairman NASSCOM Product Conclave and Mr. Kushal Bannerjee Academic Relationship Manager, India (East) of TCS address students at CIT.

## 2ND INTERNATIONAL CONFERENCE ON ENGINEERING FOR HUMANITY, 2015

Bengal Chamber of Commerce & Industries has organized an International Conference on Engineering for Humanity, 2015, from 21st and 22nd August, 2015. Speakers from various ends of the country and abroad explained their views. Our students were also invited in that conference. They gathered plenty of information on "Smart City for Smart Living".

## INDEPENDENCE DAY CELEBRATION

The 69th Independence Day, has been celebrated on 15th August, 2015, at our college campus by Flag Hoisting by the Director, Prof. Avijit Das and the Principal, Dr. S. Chatterjee. The march past was led by our student Sonal Ghosh. Books and chocolates were dis-

tributed to poor children of local villages. Next, the students presented a small program to pay homage to our immortal patriots. At the end, little refreshment was served to everybody present there.

## RECAP: TEACHERS' DAY CELEBRATION, LAST YEAR

Teachers' Day had been Celebrated, paying homage to Dr. Sarvapally Radhakrishnan. Students also arranged small program to show honor to their

teachers. The Presence of Swami Puramathanananda, Col. Prabir Sengupta and other dignitaries, took this program to a greater height. The new decorated Library building was also inaugurated on that day. On that very day, the first edition of Institute News Letter, URJA was officially published by Swami Puramathanananda & Col. Prabir Sengupta.
