PROJECT MANAGEMENT NATINAL CONFERENCE, INDIA - 2014
11-13 SEPTEMBER, 2014, HICC, HYDERABAD

(11-13)-09-14: A delegation comprises of 8 students of Camellia Institute of Technology(CIT) and Camellia Institute of Engineering(CIE) along with Director **Mr. Avijit Das** attended "**Project Management National Conference Hyderabad, India – the mantra for sustainable growth**".

Project Management National Conference (11 - 13 September 2014) was a two and half day professional development event, conducted by Project Management Institute (PMI) India and hosted by PMI Pearl City Chapter,Hyderabad.

It provides an opportunity for Project Management Practitioners across industries, government, academia, NGOs etc., to exchange ideas on the challenges and emerging trends in projects that are contributing to national objectives.
Great thanks to **Shri Vivek Shally** for extending his cooperation by sponsoring delegate fee for all 8 stu-

dents. There were close to 940 participants and all are PM Professionals from various organizations. The first day started with registration and everybody got delegate kit along with a RFID tag. . The event was inaugurated by Mr. **Srinivas Kopparapu**, Conference Chairperson. The first day ended with Cocktail and Dinner. The second day started at 9.20 am. Our team reached before time and sat on a single table. The sessions were premium, and the lunch was fabulous. The sessions are mentioned below all together. On the third day **VVS Laxman**, Former Indian Cricketer came to the conference and spoke about "**Team Building and Motition**", there was also a quiz competition through their official app, questions can be asked through apps. We met PMI-Kolkata Chapter President. He was very happy to met us and he promised for support.
